

UNI**Q**UENESS

discovering who God made you to be so you can make a difference.

BOTTOM LINE: God made you for an adventure.

Read Isaiah 12:2

DAY

1

Adventure Map

On a sheet of paper, draw a map to your favorite place. Maybe it's a grandparents house or your local pool. Include things you see on the way, but also include pictures like deserts, mountains, jungles, forests, rivers, the sea; anything you like. Now, imagine you are going on a great adventure to this place. What friends will you make along the way? How will your adventure end? **KNOW** that when you follow God's way, He takes you on a great adventure; one created just for you.

DAY

2

Trust God Always

With an adult, look up Isaiah 12:2. Read it a few times together. We can trust God always. Just like Abram could trust God to go to a new land, we can trust God with the adventure of our lives. Draw a picture of something you want to trust God with. Hang it on your mirror to remind you that He will give you strength, keep you safe, and always be with you. **THANK** God for being the one who saved us and for being the One we can trust.

DAY

3

Ask Away

Pretend you are Abram and act out the Bible story you learned this week. Pack items and set up camp. Think about what questions you would have for God. What scares you about the trip? How long do you think it will take to get there? Remember that like God had an adventure planned for Abram, God has an adventure planned for you. Don't be afraid to ask God questions. **LOOK** to God for answers.

DAY

4

Create an Adventure

At home or at the park, create an adventure by building an obstacle course. Set a timer and work to get through the course faster each time. Life is a lot like your obstacle course. Know that God will be with you in your own adventure. He will lead you to new friends and guide you through your times of trouble. **ASK** God for help by saying, "God, please help me to follow you on the adventure you have for me. Thank you for guiding and loving me, amen."
