

UNI**Q**UENESS

discovering who God made you to be so you can make a difference.

BOTTOM LINE: God made you to follow Jesus.

Read Mark 12:30-31

DAY
1

How Do I Follow Jesus?

With the help of a grown-up, read Mark 12:30-31 in the Bible. Read it a couple of times. What does it mean to follow Jesus by loving God and then loving others? How do you show love to God? You do it by worshipping Him. This means you read your Bible, pray, give, and go to church. How do you love your neighbor as yourself? You do that by being kind to your neighbor and doing kind things for your neighbor. Draw a picture of some ways you can worship God and some ways you can serve your neighbor. **THINK** about doing these things all through the week.

DAY
2

Talk to God

Spend some time in prayer this week asking God to help you follow Jesus. Use the guide below:

MONDAY: "God, thank you for sending your Son, Jesus, to save us from our sins."

TUESDAY: "God, help me to follow Jesus every day. Help me to show Jesus' love to others."

WEDNESDAY: "God, when I am angry at someone, help me to love them instead, just like Jesus loved those who hurt him."

THURSDAY: "God, help me to be generous with others because Jesus gave everything for us."

FRIDAY: "God, let me never be afraid to tell people that I follow Jesus."

Remember, you can always **ASK** God to help you know Jesus better.

DAY
3

Telephone

With the help of a grown-up, read John 14:6. Try to memorize this verse and at the dinner table play a round of telephone. Whisper the verse in the person's ear that is sitting next to you then have them send it down the line. See if the verse is still the same when it reaches the last person. The better you **KNOW** Jesus, the more you can be like Him.

DAY
4

Who Can Teach Me About Jesus?

Get a piece of paper and draw four boxes on it. In one box, draw your home with your family in front of it. In another box, draw the place your church meets with the people of the church standing in front of it. In the third box, draw a park or some other outdoor scene with your friends standing in front. In the fourth box, draw a place where you may have learned something about Jesus. **LOOK** at the pictures and think about the people God placed in your life to teach you about Jesus.
